

## Lesson 32: Food From Heaven

### *Scriptural Basis:*

Exodus 15; 16; Deuteronomy 8:3; John 6:35

### *Overview:*

Though the Israelites grumbled and complained, God showed compassion on them and provision for them by providing food and water in miraculous ways. He also gave them a commandment to rest every seven days.

### *Things to consider:*

God had a plan and a purpose when He led the Israelites out of Egypt - to continue on with a centuries-old promise, that He would make a name for Himself through the Nation of Israel. God's primary purpose was to put His glory on display by protecting and providing for the Israelite nation. He was also very patient with the Israelites as He provided for them.

### *Bible Study for Preparation:*

Read Exodus 15; 16; Deuteronomy 8:3; John 6:35; consider how every time we eat and rest it creates an opportunity to reflect and be thankful for God's provision.
