Sermon: Acts 9:32-43

- **What is truth? How do you know if something is absolutely true? Take time as a group to talk through the list below and if these statements are true or not.** (Do your best to set an environment where people can be honest about what they really think and welcome people to doubt if that is what they really feel. This might be a good opportunity to study some of these things out at a late time)
 - The Bible is inerrant (without fault, completely trustworthy)
 - Jesus was born through a virgin birth
 - We needed Jesus to die for our sins for God's righteous wrath to be satisfied so we would not receive the punishment we deserved for our sins
 - Jesus rose from the dead three days after His death
 - Miracles happen
- **What are miracles? What do miracles tell us about God? How do you think this might change our life?**
- **What is the kingdom of God? Why is the kingdom of God here but not fully here yet? How do miracles reflect this aspect of the kingdom of God?**
- **Have you experienced miracles? If so what were they? If not, how do you feel about not experiencing miracles?**

RADIANT CHURCH

- **Has your heart been miraculously healed?** (see examples below) **Are there things that need to be healed by Jesus** (use this as a way to right down prayer requests for the group to pray over)
 - Have you experienced freedom from bitterness toward people who have sinned against you?
 - Have you found yourself genuinely praying for your enemies, or former employers or even former churches
 - Has your heart been drawn to pray more than perhaps you were in the past?
 - What are other ways you have seen God miraculously healing your heart?
