Sermon: Acts 18:1-17

- **What does it look like for someone to live their life generously? If you know of someone you would consider generous what specifically makes them generous?**
  
- **In Acts, we see Crispus step down from leading the synagogue after Paul leaves and becoming a Christ-follower. This was a path of humility. Do you know someone you would consider humble? Why are they humble? How was Jesus humble?**
  
- **The last person we discussed was Paul. He kept pursuing people with Gospel even though he was afraid. When was a time in your life when you felt most afraid? What keeps you motivated to face your fears? What helped Paul face his fears?**
  
- **We see a big shift in this passage where the church is no longer focused on building but focused on the people. Read 1 Corinthians 6:19-20 and answer the following questions:**
  - **What does it mean that your body is a temple of the Holy Spirit?**
  - **How do you use your body to glorify God?**
  - **How did Paul, Crispus, and Aquilla and Priscilla use their bodies as temples of the Holy Spirit?**
