

Radiant Kids Lessons – Precepts

Ministry Goal: That we would all become better Theologians Every Day

Ignorance is worst when it amounts to ignorance of God, and knowledge is best when it exercises itself upon the Name of God. This most excellent knowledge leads to the most excellent grace of faith. O, to learn more of the attributes and character of God. Unbelief, that hooting night bird, cannot live in the light of divine knowledge, it flies before the sun of God's great and gracious name. ...By knowing his name is also meant an experimental acquaintance with the attributes of God, which are every one of them **anchors to hold the soul from drifting** in seasons of peril. The Lord may hide his face for a season from his people, but he never has utterly, finally, really, or angrily, forsaken them that seek him.

–C.H. Spurgeon

At Radiant, we believe that the *chief end of all Christian Doctrine is to know God personally and with our entire being* (heart, soul, strength and mind), which is INFINITELY more than to simply know *about* Him. It is a journey that begins in this life, and will continue without end or completion in eternity!

We wish to support parents in being their children's first and most important Spiritual teachers.

THE ATTRIBUTES OF GOD

COMMUNICABLE
BEING
PURPOSE
MENTAL
MORAL
SUMMARY
INCOMMUNICABLE

To study God's attributes is to study his character, to answer questions like, "Who is God?" and "What is God like?" A typical classification of God's attributes divides them into those that are **incommunicable** (those that he does not share or "communicate" to anyone or anything else) and **communicable** (those that he shares with other beings). Like most theological classifications, this one is imperfect but still helpful as we seek to understand what is so far beyond ourselves.

God's communicable attributes can be further categorized into: attributes of God's being, mental attributes, moral attributes, attributes of purpose and "summary" attributes (attributes that, in a more particular way, modify each of the others).

It is important to consider that God is not simply the sum of his attributes. His attributes are not separate from one another, but each one modifies or qualifies each of the others.
